#### *Project collaboration: InterGedi & TU Chemnitz*

We are collaborating with the English Department of the Faculty of Humanities at TU Chemnitz on a project entitled [“I, Expert: Media competence for science through linguistics”](#).

This project, sponsored by the [DAAD research program](#) and led by [Dr. Marina Ivanova](#), aims to promote language awareness in science communication for credible and effective dissemination. We will be organising a conference in Chemnitz in October, and then an Autumn School in Zaragoza in November.

You can find out more about this event [here](#).
